Use the Federal Postcard Application available to you from military bases, American embassies, or consular offices.

New Hampshire town and city clerks will accept this application only as a request for their own absentee voter mail-in registration form.
North Dakota does not have voter registration.
Wisconsin municipal clerks will accept this application only as a request for their own absentee voter mail-in registration form or for the purposes of the clerk directing that voter to the state's online voter registration system at https://myvote.wi.gov/en-us/.
Wyoming law does not permit mail registration.

How to Find Out If You Are Eligible to Register to Vote in Your State
Each State has its own laws about who may register and vote. Check the information under your State in the State Instructions. All States require that you be a United States citizen by birth or naturalization to register to vote in federal and State elections. Federal law makes it illegal to falsely claim U.S. citizenship to register to vote in any federal, State, or local election. You cannot be registered to vote in more than one place at a time.

How to Fill Out this Application
Use both the Application Instructions and State Instructions to guide you in filling out the application.

- First, read the Application Instructions. These instructions will give you important information that applies to everyone using this application.
- Next, find your State under the State Instructions. Use these instructions to fill out Boxes 6, 7, and refer to these instructions for information about voter eligibility and any oath required for Box 9.

When to Register to Vote
Each State has its own deadline for registering to vote. Check the deadline for your State on the last page of this booklet.

How to Submit Your Application
Mail your application to the address listed under your State in the State Instructions. Or, deliver the application in person to your local voter registration office. The States that are required to accept the national form will accept copies of the application printed from the computer image on regular paper stock, signed by the applicant, and mailed in an envelope with the correct postage.

First Time Voters Who Register by Mail
If you are registering to vote for the first time in your jurisdiction and are mailing this registration application, Federal law requires you to show proof of identification the first time you vote. Proof of identification includes:

- A current and valid photo identification or
- A current utility bill, bank statement, government check, paycheck or government document that shows your name and address.

Voters may be exempt from this requirement if they submit a **COPY** of this identification with their mail in voter registration form. If you wish to submit a **COPY**, please keep the following in mind:

- Your state may have additional identification requirements which may mandate you show identification at the polling place even if you meet the Federal proof of identification.
- Do not submit original documents with this application, only **COPIES**.

If You Were Given this Application in a State Agency or Public Office
If you have been given this application in a State agency or public office, it is your choice to use the application. If you decide to use this application to register to vote, you can fill it out and leave it with the State agency or public office. The application will be submitted for you. Or, you can take it with you to mail to the address listed under your State in the State Instructions. You also may take it with you to deliver in person to your local voter registration office.
Note: The name and location of the State agency or public office where you received the application will remain confidential. It will not appear on your application. Also, if you decide not to use this application to register to vote, that decision will remain confidential. It will not affect the service you receive from the agency or office.
